

TRANSPORT EMERGENCY CARD (Road)

Card #TR0113
Revision 01/1999
Class 3 ADR
It. 31c

LOAD

DAPRO S-65

- RESIN SOLUTION (flash point above 23°C)
- Colourless liquid or paste - Usually with perceptible odour
- Immiscible with water - Lighter than water

NATURE OF DANGER

- Flammable
- May evaporate quickly
- The vapour may be invisible. The vapour is heavier than air and spreads along ground
- May form explosive mixture with air, particularly in empty uncleaned receptacles
- Heating will cause pressure rise with risk of bursting and subsequent explosion
- Irritant effect: on eyes, on skin, on air passages

PERSONAL PROTECTION

- Goggles giving complete protection to eyes
- Plastic or synthetic rubber gloves
- Eyewash bottle with clean water

GENERAL ACTIONS BY THE DRIVER

- Stop the engine
- No naked lights. No smoking
- Mark roads with self-standing warning signs and warn other road users or passers-by
- Keep public away from danger area. Keep upwind
- Notify police and fire brigade as soon as possible

ADDITIONAL AND/OR SPECIAL ACTIONS BY THE DRIVER

- Any action only if without personal risk
- Avoid direct contact with substance
- Stop leaks if without risk
- Contain or absorb leaking liquid with sand or earth or other suitable material
- If practicable: use shovel, broom, small collecting container
- Prevent liquids entering water courses, sewers, basements and workpits. Vapour may create explosive atmosphere
- If substance has entered a water course or sewer or been spilt on soil or vegetation, advise police

FIRE (information for the driver in case of fire)

- Do not use a water jet
- Use Carbon Dioxide or Dry Chemicals for small fires

FIRST AID

- If substance has got into the eyes, immediately wash out with plenty of water. Continue treatment until medical assistance is provided
- Remove contaminated clothing immediately and wash affected skin with soap and water
- Seek medical treatment when anyone has symptoms apparently due to inhalation or contact with skin or eyes
- In case of burns immediately cool affected skin as long as possible with cold water

SUPPLEMENTARY INFORMATION FOR EMERGENCY SERVICES

- Keep container(s) cool by spraying with water if exposed to fire
- Extinguish with water spray, foam or dry chemical. Do not use water jet
